

# GET TOUGH COVER WHAT COUNTS!

## PROTECT ONE MOTOR OR AN ENTIRE FLEET

Partner with Tuff Skinz to offer your customers premium, custom-fit outboard protection from a trusted American manufacturer with more than 25 years of marine industry experience.

We work with boat dealers, outboard dealers, repower centers, and marine service shops to provide dependable fitment, dealer pricing, custom graphics, and products your customers can add to a new motor or service purchase.

## PERFECT FIT

Each Tuff Skinz cover is custom designed for your particular cowling, with strategically placed air vents and water ports to allow optimum performance. We cover all major brands of outboard motors and work hard to keep inventory up-to-date! We also carry covers for all brands of shallow water anchors, graphs, fish-finders. We also make cable wraps and rigging sleeve covers, trolling motor covers and weigh-in bags! We can print just about anything you want on any of our products – from factory look-a-like graphics, to business and event logos to custom artwork and designs.
