

GET TOUGH COVER WHAT COUNTS!

DEEP DISCOUNTS!

Your boat and motor are part of your business — and they need to look good and stay protected through long days on the water and miles on the road.

Tuff Skinz offers professional guides custom-fit vented motor covers, custom graphics, and special program pricing designed for boats that work as hard as you do. Receive professional discounts for your Guide Service..

PERFECT FIT

Each Tuff Skinz cover is custom designed for your particular cowling, with strategically placed air vents and water ports to allow optimum performance. We cover all major brands of outboard motors and work hard to keep inventory up-to-date! We also carry covers for all brands of shallow water anchors, graphs, fish-finders. We also make cable wraps and rigging sleeve covers, trolling motor covers and weigh-in bags! We can print just about anything you want on any of our products — from factory look-a-like graphics, to business and event logos to custom artwork and designs.
