

GET TOUGH COVER WHAT COUNTS!

FLEET OUTBOARD PROTECTION PROGRAM

Tuff Skinz helps marinas protect the outboards they service, store, manage, and sell. Whether you operate a service department, dry-stack facility, rental fleet, boat club, or marina store, we can provide custom-fit covers, volume pricing, and professional graphics for individual customers or multiple boats.

PERFECT FIT

Each Tuff Skinz cover is custom designed for your particular cowling, with strategically placed air vents and water ports to allow optimum performance. We cover all major brands of outboard motors and work hard to keep inventory up-to-date! We also carry covers for all brands of shallow water anchors, graphs, fish-finders. We also make cable wraps and rigging sleeve covers, trolling motor covers and weigh-in bags! We can print just about anything you want on any of our products – from factory look-a-like graphics, to business and event logos to custom artwork and designs.

QUALITY MATERIAL

- Extreme toughness and tear resistance.
- Mildew resistant and water repellent.
- Soft underside fabric that won't scratch your equipment.
- Protects from UV rays, fading, sun damage and chemicals.
- Increases resale value of your equipment.

SUPREME PROTECTION

- Heavy cover and brush, branches and stumps.
- Lures, baits, hooks and weights.
- Docks, peers, lifts and slips (storage).
- Road grime, gravel and weather (trailing).

PROFESSIONAL GRAPHICS

- Quality, factory look-a-like graphics to that match your cowling.
- Recolor any graphics to match your boats color theme!
- Supply your own custom graphics, logos, unique names, etc.
- Position and print on ANY side of our covers!
