

PROMOTE AND PROTECT THE BOATS IN YOUR MARINA

WITH **BRANDED** TUFF SKINZ OUTBOARD MOTOR COVERS AND MORE!

A PERFECT FIT

We're proud to introduce ourselves as the first and leading manufacturer of vented outboard motor covers in the U.S. — and we're excited to show you how Tuff Skinz can bring both protection and a polished, professional look to your marina.

At Tuff Skinz, we don't just make motor covers — we make durable, custom-branded solutions that protect your customers' investments while promoting your marina's identity. Imagine every outboard in your slips proudly displaying your marina's logo, neatly uniform and protected from the elements.

PROFESSIONAL APPEARANCE

- Custom-fit and fully breathable — no overheating
- Designed and made in the USA - Dallas, TX
- Easy to install and built to last
- Available with your marina's branding or logo

We'd love the opportunity to work with you directly and supply covers tailored for your docks. Whether you're looking to protect your patrons motors or simply elevate your marina's image Tuff Skinz has you covered — literally.
